## **Parks & Trails NY**

[www.ptny.org](http://www.ptny.org)

Parks & Trails New York has worked with hundreds of community organizations and municipalities to envision, create, promote, and protect a growing network of parks and more than 1,500 miles of greenways, bike paths, and trails throughout New York State.

## **National Complete Streets Coalition**

[www.completestreets.org](http://www.completestreets.org)

The National Complete Streets Coalition seeks to fundamentally transform the look, feel, and function of the roads and streets in our community, by changing the way most roads are planned, designed, and constructed. Complete Streets policies direct transportation planners and engineers to consistently design with all users in mind, in line with the elements of Complete Streets policies.

## **Partnership for Prevention Action Guide**

[www.prevent.org/data/files/initiatives/communitytrail.pdf](http://www.prevent.org/data/files/initiatives/communitytrail.pdf)

This online PDF action guide, titled Places for Physical Activity provides information for facilitating development of a community trail and promoting its use to increase physical activity among youth and adults.

## **Peaceful Playgrounds**

[www.peacefulplaygrounds.com](http://www.peacefulplaygrounds.com)

Peaceful Playgrounds introduces children and school staff to the choices of activities available on playgrounds and field areas.

## **KaBOOM!**

[www.kaboom.org](http://www.kaboom.org)

KaBOOM is a non-profit organization that works to ensure that children have great places to play within walking distances from home through the participation and leadership of communities.
